Front-pocket transition seller	carries like a card case but holds folded bills — the hybrid that wins converts.
Simple private-label economics	four stock hides at 300 pcs MOQ, laser or deboss branding, no pattern risk.
Shield included	98.5% attenuation at the base MOQ — no tooling tier needed for RFID claims.
Minimalist EDC starter lines and gift sets	bundles with card holders and key organizers for a complete pocket system.
Travel brands	a second wallet for trips — small enough to forget, light enough to pack twice.
First-order private label	mature pattern, hand-finishing only, fastest sampling in the leather family.
