Leather without bulk	a 4-6 card layout keeps the true minimalist thickness while keeping genuine full-grain material.
Built-in shield choices	full shell (98.8%) or slot-per-detect (shield the ID slot only) — the buyer picks the protection they need.
Hand-finished edges	burnished and waxed edges — the touch detail that lifts a leather holder from mass-market to boutique.
Personalization-friendly	deboss on the outer flap, custom stitching and thread colors at the MOQ.

Gift programs and holiday drops	leather, tiny and brandable — a three-way retail win.
Add-on to leather wallet lines	the key cases and travel sets that already carry a leather identity.
