Carries the cash minimalists miss	the spring clip holds 5–15 folded notes securely — the gap left by every card-only plate wallet.
Replaceable clip tension	the spring is a stock service part — loosened over years, swapped in seconds without returning the product.
Aluminum lightweight and rust-proof	15 g total with an anodized plate that resists sweat and pocket corrosion.

Cash-first markets	a distinct SKU for distribution into markets where daily cash is still dominant.
Minimalist cash users	the buyer who rejected card-only plates because they "can't carry a \$10 bill."
EDC and travel-light setups	clip + 3 cards in one utility pocket.
