Attach	MagSafe-compatible ring for phone-side carry
Logo	leather deboss or laser on the aluminum back
Leather	black, brown, wine red; raw aluminum back option
Works with what you carry now	no special cards, no adhesive sheets — your existing cards and a slim phone case work out of the box.
Magnets that stay put	NdFeB magnets hold tight to steel surfaces up to 3 mm thick, with a peel-flap release to avoid wall brackets.
Lower per-unit threshold	300 pcs MOQ fits test intros; keychain and lanyard add-ons bundle naturally.
Desk & home offices	badges, card and a spare key off the desk — a five-second install with no tools.

Fridge and door frames	frequent-access cards at hand without fumbling into pockets or bags.
Compare mount styles	EDC Accessories
Card-capacity logic	How Many Cards Fit in a Wallet?

Packaging: Hang-tab retail box or gift sleeve
